

# 2022 Ely Timberwolves BASEBALL FUNDRAISER

Ely's JH & High School Baseball team has teamed up again with Ely Engraving for their Spring fundraiser. Proceeds from this will help the team with their expenses like new equipment, travel, and field time. There are several different gift ideas that are perfect for students, moms, dads, & grads - plus a thing or two for the house or just hanging out at the cabin or lake. Each item is available in several colors and design options to create a truly one-of-a-kind personalized gift for that extra meaning.
